

FAU Transportation Access Fee (TAF)

All FAU High School students in Grades 9-12 are responsible for paying per the semester FAU Transportation Access Fee, which is required of all dual-enrolled students at FAU. Payment of the FAU Transportation Access Fee supports the University's transportation infrastructure and increases student access to transportation services. The fee provides a free on-campus shuttle service designed to help move people quickly around campus. In addition, the fee covers the cost of FAU student parking permits per semester which may be used for the student or family vehicle.

This fee must be compensated directly to FAU **EACH SEMESTER** via the student's MyFAU account. However, as a freshman, this fee only needs to be paid if the student is enrolled in a dual enrollment course. The fees are not collected by FAU High School. Free or reduced-price lunch status DOES NOT APPLY to this Transportation Access Fee. Free or reduced-price lunch status only applies to FAU High School activity fees, which support student activities on the FAU High campus and is unrelated to the required Transportation Access Fee from the University.

The Transportation Access Fee amounts are as follows, but are subject to change according to University policy:

- **Fall Term: \$76.90**
- **Spring Term: \$76.90**
- **Summer Term: \$32.04 (only if the student registers for any courses this term)**

Once enrolled at FAU High and registered for dual-enrollment courses at the University, the following directions must be followed to pay the Transportation Access Fee each semester:

Refer to the Academic Calendar for payment deadlines here: <http://www.fau.edu/registrar/registration/calendar.php>

Failure to pay the fees on time each semester will incur a \$100 late fee. Furthermore, student holds will occur with respect to course registrations for each term if the fee is not paid.
